30	<p><b>Notes:</b> In addition to the normal curriculum, each classroom will also be working on the letters Gg and Hh, number 3, the shape Circle, and color Green. This month we are celebrating <u>Week of the Young Child!</u> STEAM education refers to the areas of Science, Technology, Engineering, Arts and Mathematics. On "Spectacular Science Day", we will inflate balloons using baking soda and vinegar! On "Techy Techniques Day", we will learn about a computer key board! On "Environment Engineering Day", we will learn about evaporation and perspiration! On "Aspiring Artists Day", we will paint with our hands! And finally, on "Magnificent Mathematics Day", we will practice telling time.</p>
